We need you!

Fancy working with us in The Valley in exchange for a **FREE holiday?**

We are looking for volunteers to come and work with us to prepare for the 3rd Riba Rocks music and arts festival. We are based in a stunning olive finca, surrounded by picturesque valley and mountain backdrop close to the River Ebro and only a few kilometers from Riba-roja d'Ebre village, Catalunya. We have absolutely no light pollution so the stars are amazing!

If you can offer us 4 hours help on the farm each day:

- **Olive tree pruning**
- **Clearing and burning of weeds**
- **Building compost toilets**
- **Building shade structures**
- **Other general festival preparation**

We will give you in return:

- **Free accommodation**
 - **A vegetarian dinner each evening of your stay**
 - **Plus a free festival ticket (exact dates tbc September 2015)**
-

The village of Riba-roja d'Ebre has all amenities including banks, pharmacy, bars and restaurants and there is a public swimming open in the school holidays. Activities available locally include kayaking, clay pigeon shooting, off-roading, fishing, tennis, climbing and hiking.
